Dear Dr. Mansfield,

It is my distinct pleasure to inform you that you have been selected by your peers as one of San Diego's *Physicians of Exceptional Excellence* — our "2018 Top Doctors." Congratulations on being selected thirteen out of the last sixteen years — an achievement that only 17 San Diego physicians can claim!

Our selection process asked all San Diego County physicians with a valid California medical license who they think should be recognized for their excellence in medicine.

San Diego Magazine's October issue will publish your name, affiliation (if any), and office address as listed below.
