"Defining the Future of Medicine"

**SAN DIEGO'S LEADING DOCTORS**  
brain, spine, head, neck & balance conditions

**SENTA CLINIC**  
3590 Camino Del Rio North  
San Diego, CA 92108

Since our inception in 2004, Senta Clinic has grown into a world-renowned and nationally acclaimed HEAD, NECK, BRAIN and SPINE center offering extremely rare complex treatments focused on quality outcomes with patient-centric care.

Senta Clinic's focus on excellence through leading-edge sub-specialized surgical techniques along with our multi-disciplinary approach makes us the destination patients from all over the world come to for their innovative medical treatment. Through collaboration with our team of highly trained physicians, patients experience concierge medicine for the most complex conditions.

Senta Clinic doctors have been consistently ranked nationally at the top of their specialties. In addition to our physicians being multiple-time recipients of US News & World Report and Castle Connolly awards, we are honored to have our peers nominate eight of our physicians as 2018 "Top Doctors" for San Diego Magazine.
