Dear Dr. Mansfield,

It is my distinct pleasure to inform you that you have been selected by your peers as one of San Diego's **Physicians of Exceptional Excellence** — our **"2021 Top Doctors"**.

Congratulations on being selected fifteen out of the last eighteen years — an achievement that only 19 San Diego physicians can claim! Our selection process asked all San Diego County physicians with a valid California medical license who they think should be recognized for their excellence in medicine.

San Diego Magazine's October issue will publish your name, affiliation (if any), and office address as listed below.
