

SPIRIT OF LIBERTY FOUNDATION

2023 Reflections and 2024 Projections

2024 Projections

This year will be an extraordinary one for the Spirit of Liberty Foundation. In addition to our continued efforts to support America's Heroes ... our Armed Forces, Veterans, First Responders and Victims of disaster, the following are highlights for 2024:

America's Freedom Bell

We are working with the prestigious Congressional Medal of Honor Society creating a National effort to ring the iconic *America's Freedom Bell* every day to both honor and create awareness of America's Heroes ... the *Medal of Honor Recipients*.

Operation Teddy Bear Aid for Ukraine Children

The Spirit of Liberty Foundation and the House of Ukraine have joined to create "Operation Teddy Bear Aid". These organizations have been significant supporters of Ukraine since the start of the war. **Operation Teddy Bear Aid** will give Ukrainian child a Teddy Bear or a stuffed animal to hug, hold and comfort with "Love from America."

The 12 Charities of Christmas

The *12 Charities of Christmas*, is an extraordinary limited-edition collection of Ornaments created for a select group of prestigious and Nationally recognized charities. Each Ornaments will be unique designs that enhance the image and mission of each charity. The Ornaments will displayed on Christmas trees and throughout the holiday season and will be an important and unique visual statement. These ornaments are destined to become an American tradition just as the Official White House Christmas Ornaments have been.

America's Heart

The Spirit of Liberty Foundation's dramatic 20-foot "*Heart of America 1776*" inflatable, soon to be the National symbol of the 250th Anniversary of America celebrating America's grass roots and often overlooked Heroes ... Veterans, Postal Workers, Bus Drivers, etc.
